MFA Part 4: Davy Jones' BitLocker
Tools: winrar/any file extractor.

Now that we have gathered all the components for the password, we can finally unlock the locked zip folder "Lockbox.zip". As stated the password format is a combination of all the collected keys in all caps.

FLORIDA_PUERTORICO_BERMUDA

Entering the password we can see the contents of the map inside the zip, revealing the flag:

FLAG: *ahoy{B3rmuda_Tr14ngl3}*
